EDINBURGH

THE VIBRANT CAPITAL OF SCOTLAND JUST MINUTES AWAY

Edinburgh is one of the fastest growing cities in the UK and enjoys the strongest city economy outside London. Its population is one of the best educated and most highly skilled workforces, and it has one of the highest student populations of any UK city at more than 80,000. More than 70% of the city's population of 500,000 is of working age and as such, Edinburgh provides an unparalleled pool of resource from which to recruit staff.

As Scotland's capital, it is the seat of the Scottish Parliament at Holyrood and is home of the Scottish legal system. The University of Edinburgh, part of the prestigious Russell Group of universities, is recognised globally as a world-leading centre of academic excellence. From a commerce perspective, the city was named by the Financial Times fDi Magazine as first for FDI strategy, as well as Best Mid-Sized City for Business Friendliness in the Global Cities of the Future Awards, whilst The European magazine awarded Edinburgh FDI City of the Year in the Business and Finance Awards for investment potential and innovation.

The city also offers an unrivalled standard of living and was named second for quality of life in a global Deutsche Bank survey. Known as the world's Festival City, residents enjoy an array of music, creative and performing arts events throughout the year. There are myriad restaurants and food and drink festivals to choose from, and plenty of sporting and outdoor activities to keep the city's dynamic population actively engaged. Simply put, there is nowhere better to live, work and do business in the UK.

EDINBURGH PARK SCOTLAND'S PREMIER BUSINESS PARK

Situated approximately 6 miles west of Edinburgh city centre and 2 miles east of Edinburgh International Airport, Edinburgh Park offers a dynamic and healthy setting for business and living, benefitting from a wide range of facilities and services available on site or in the immediate vicinity, including retail provision at The Gyle Shopping Centre and Hermiston Gait Retail Park. The Park Centre offers a gym with a swimming pool, nursery and bar/brasserie whilst hotels on the park include both the Novotel and Premier Inn at the southern end and Accor Ibis at the northern end.

LOCHSIDE AVENUE

CONNECTED TO THE CITY AND BEYOND

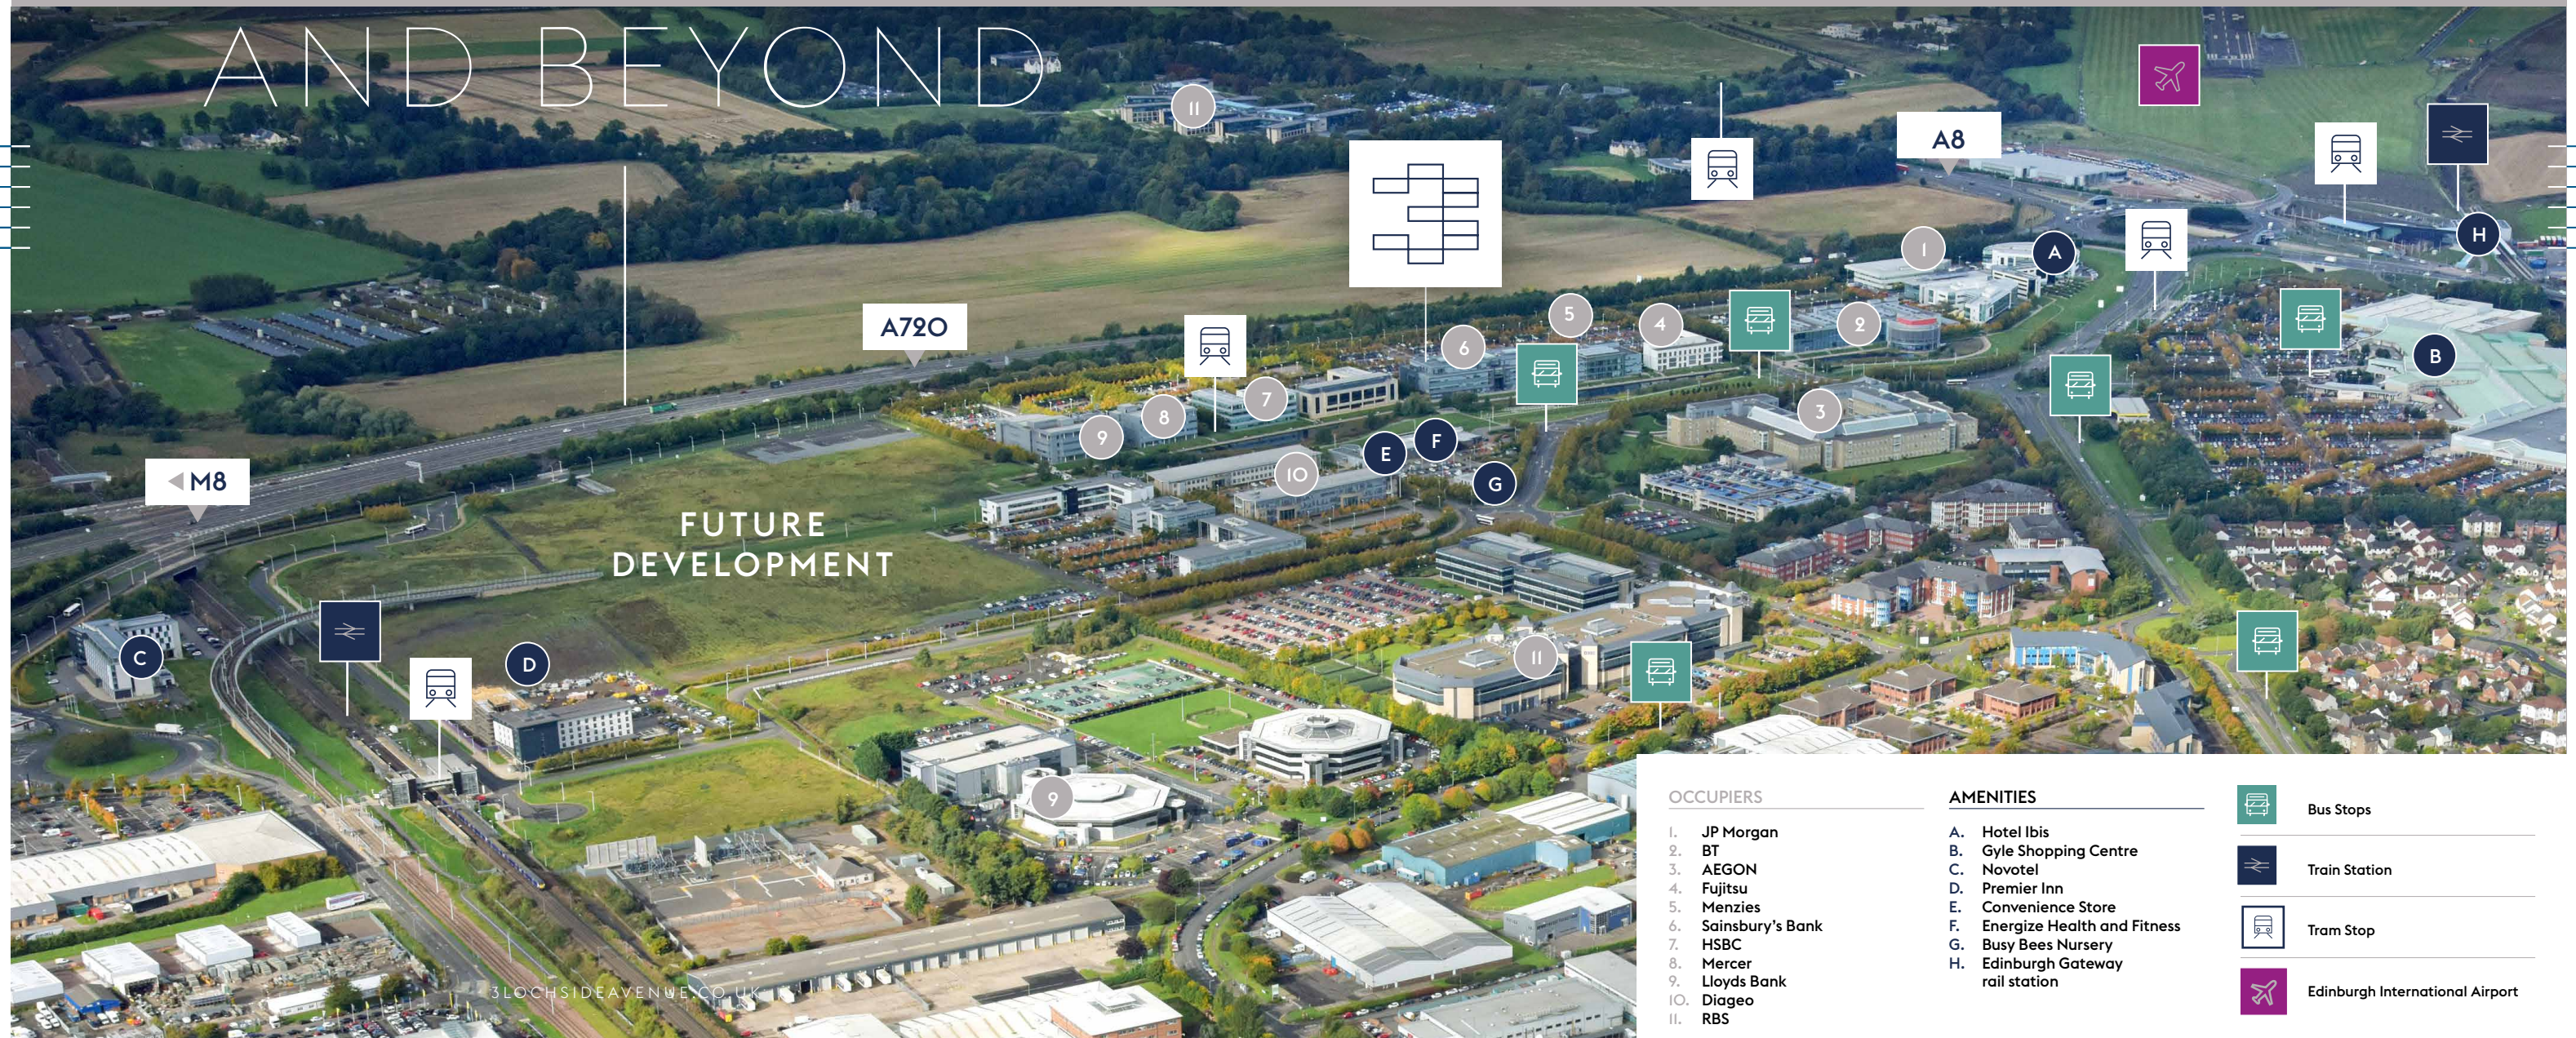

Edinburgh Park's success is partly due to its accessibility to Edinburgh International Airport and the city centre. The tram line runs through the centre of the park and provides a direct route to the international airport and city centre. There are 3 tram halts serving the southern, central and northern sections of the park.

The park is also served by two railway stations, Edinburgh Park station at the southern end of the park and South Gyle station to the east. The Gogar Rail interchange comprises the creation of a new interchange north of

the park on the Edinburgh to Fife railway line – a further enhancement of public transport.

The park benefits from excellent bus links with numerous routes stopping within the park. The Gyle Shopping Centre located adjacent to Edinburgh Park also acts as a terminus for numerous bus routes from within Edinburgh and the wider area.

Edinburgh Park also benefits from accessibility to the national road network as it is situated adjacent to the city bypass and the M8 motorway.
